PACKAGING MATERIALS

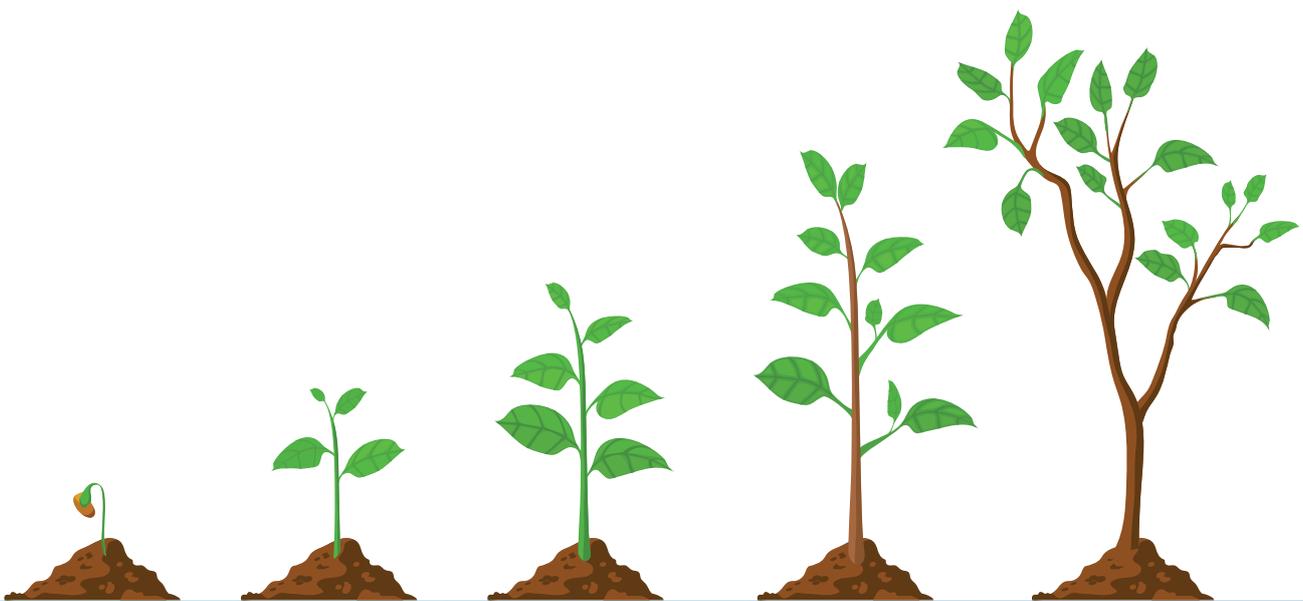

Since 1960

For nearly 60 years, our legacy in the packaging trading industry has been built on trust, innovation, and quality. Established in Mumbai by **RATILAL SHAH**, our journey began with a vision to provide reliable packaging solutions. Under the leadership of **SANJAY SHAH**, the business expanded its reach, and today, under **SAURIK SHAH**, we proudly serve clients across India, catering to the pharmaceutical sector and beyond.

Specializing in Self-Sealing & Antistatic Polybags, SS Containers, Custom Files & Folders, Cable Ties, Plastic Chains, Drum Seals, and a range of premium packaging materials, we are committed to precision, durability, and customer satisfaction.

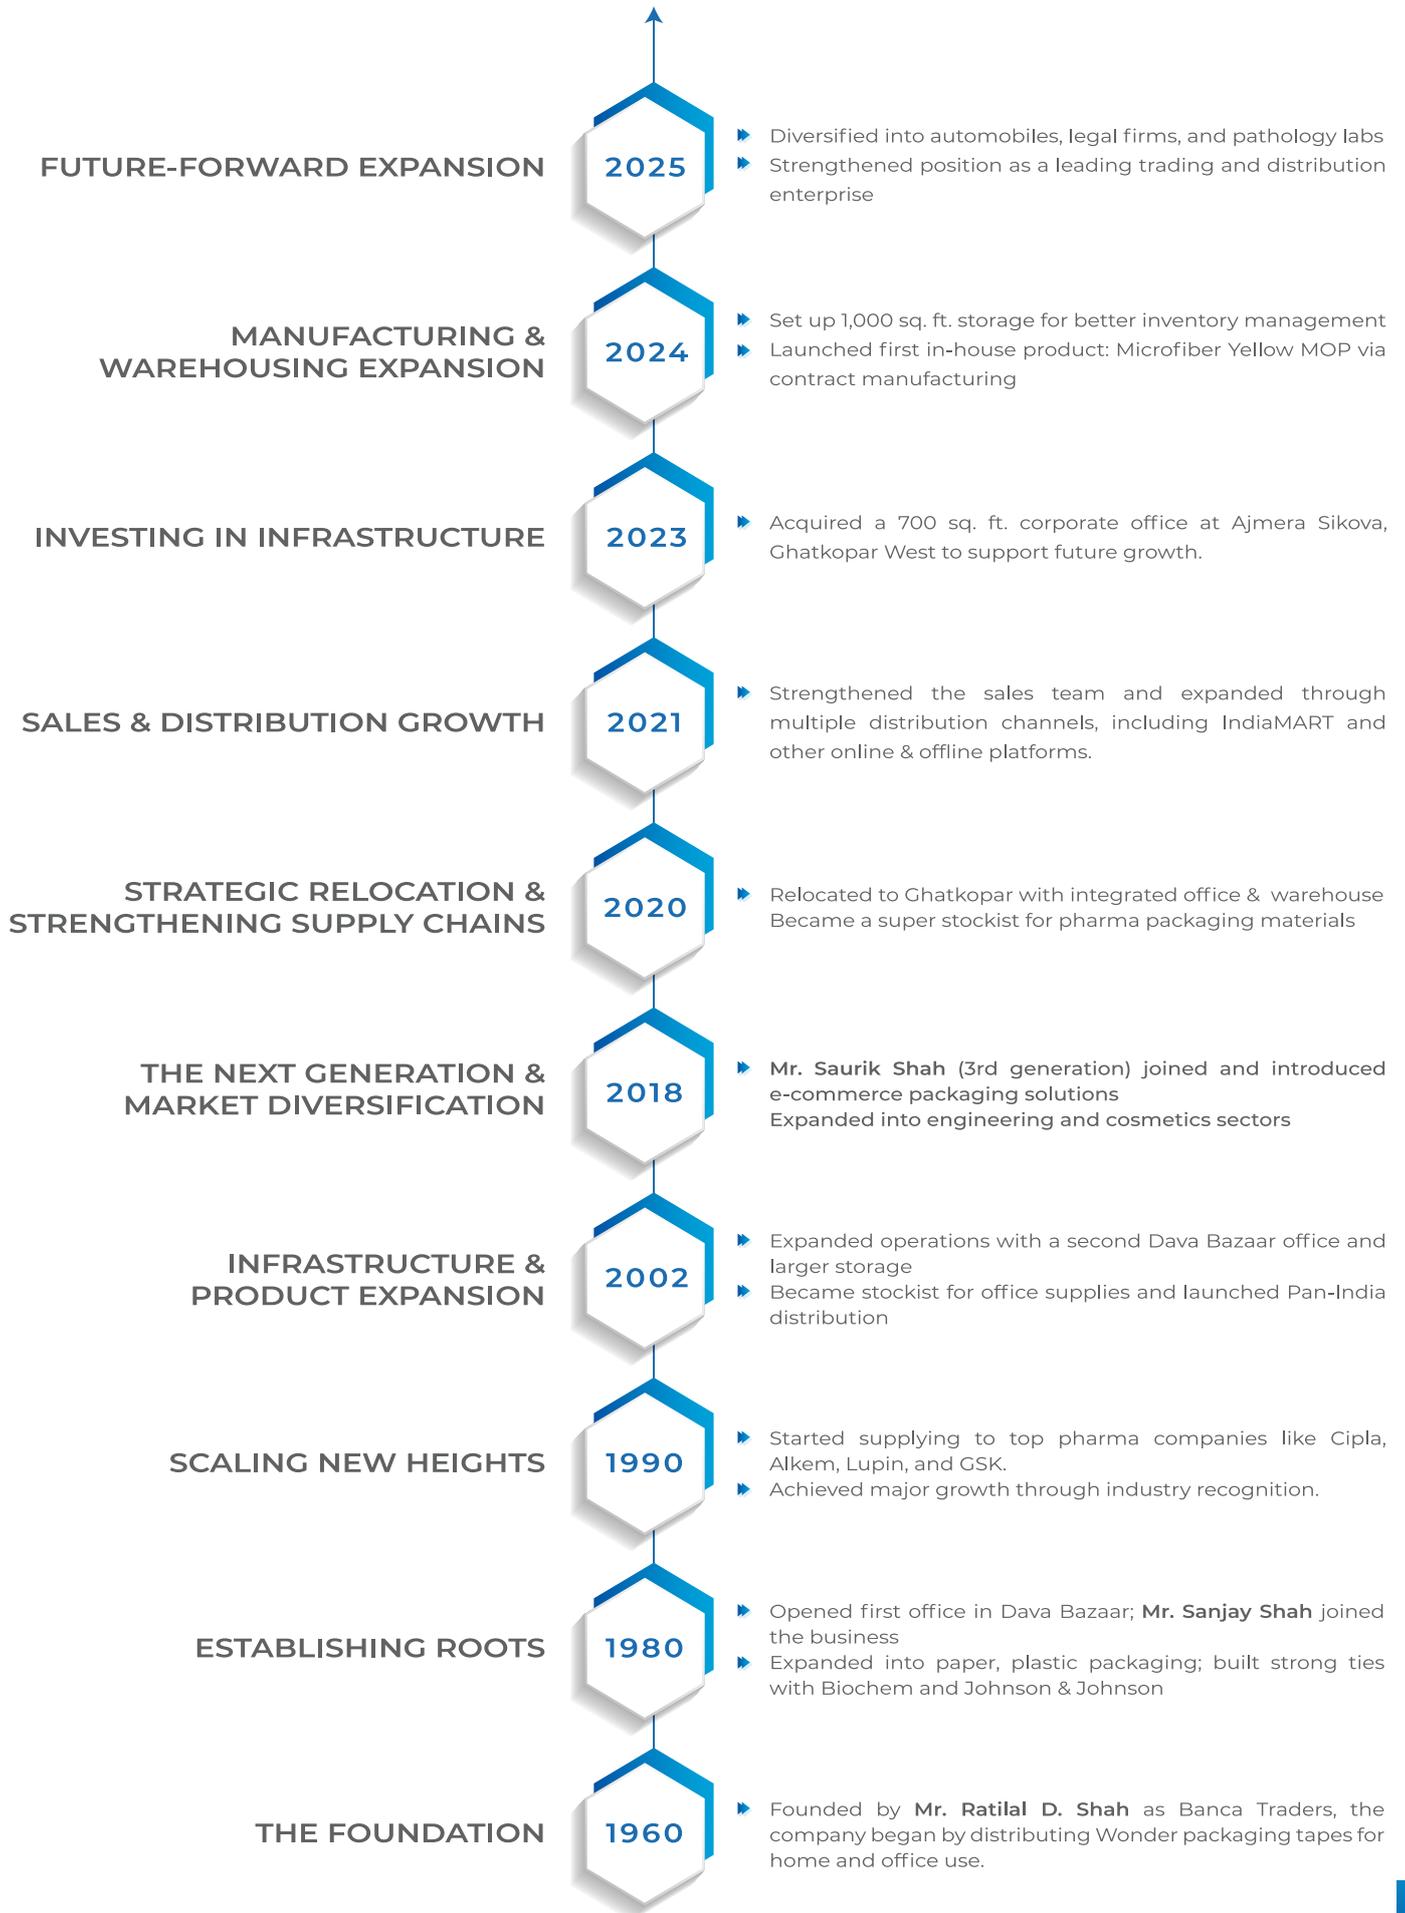

As a third-generation business, we blend heritage with innovation, ensuring our solutions meet the evolving needs of modern industries. Whether it's pharmaceutical, industrial, or customized packaging, our products are designed to protect, secure, and enhance your business operations.

***Three generations. Six decades.
One commitment - Excellence in Packaging.***

1 MTR X 80 MTR (Weight 4 KG; Gauge 40 Micron)
1 MTR X 100 MTR (Weight 5 KG; Gauge 50 Micron)
1 MTR X 100 MTR (Weight 6 KG; Gauge 60 Micron)
1 MTR X 100 MTR (Weight 7 KG; Gauge 70 Micron)
1 MTR X 100 MTR (Weight 8 KG; Gauge 80 Micron)
1 MTR X 70 MTR (20MM Coin Bubble Roll)

SILICA GEL BAGS

Our high-quality silica gel, available in both blue and white varieties, is an essential desiccant solution for moisture control. The blue silica gel is equipped with a moisture-indicating feature that changes color from blue to pink as it absorbs moisture, providing a clear visual cue when the desiccant needs to be reactivated. The white silica gel, on the other hand, offers reliable moisture absorption without any color indication, making it ideal for more sensitive applications.

Whether you're using them for electronics, pharmaceuticals, or food products, our silica gel helps protect your items from moisture damage, maintaining their quality and longevity.

Blue sizes

1gm | 2gm | 5gm | 10gm | 50gm | 100gm | 1 kg bag

White sizes

1gm | 2gm | 5gm | 10gm | 50gm | 100gm | 1 kg bag

SS CONTAINERS

Our Stainless Steel (SS) containers are designed for durability and versatility, making them ideal for a wide range of applications. These containers are perfect for storing liquids, solids, or powders, ensuring secure containment with their smooth, easy-to-clean surfaces. Whether used in laboratories, kitchens, or industrial settings, our SS containers provide a reliable and hygienic solution for storage and organization.

SIZES:

5 cm x 7 cm

6 cm x 8 cm

7 cm x 9 cm

8 cm x 10 cm

Custom Sizes are available too.
